

Regulations for Application – EUGA Certification of Competence in Urogynecology

The following regulations outline the requirements and application process for fellows wishing to undergo evaluation for the EUGA Certification of Competence in Urogynecology.

1. Eligibility Criteria

To be eligible for assessment, applicants must meet all of the following conditions:

- Be currently enrolled as a fellow at a EUGA-accredited training centre in urogynecology.
- Be an active member of EUGA at the time of application and throughout the training and evaluation process.
- Participate in the EUGA National Congress during the training period.

2. Application Procedure

Candidates must submit the following documentation to the EUGA Office:

- A formal letter of application requesting evaluation for certification.
- A current Curriculum Vitae.
- The start date and expected end date of the fellowship/training program.

All materials must be submitted via email to EUGA Office (info@eugaoffice.org).

3. Training Documentation

- Once admitted to the certification pathway, candidates must maintain a Logbook documenting their clinical and surgical activity.
- The Logbook must be submitted at the end of each training year for review by the EUGA Education Committee.

4. Final Evaluation

- The final certification assessment will be conducted in person at the first available EUGA National Congress following the completion of the training program.
- The evaluation will be carried out by a designated member of the EUGA Education Committee and a member of the EUGA Executive Committee.
- Following successful evaluation, the EUGA Certificate of Competence in Urogynecology will be issued and sent via email to the candidate.
