EUGA®

EUROPEAN UROGYNAECOLOGICAL ASSOCIATION

9th ANNUAL CONGRESS

Leading Lights in Urogynaecology

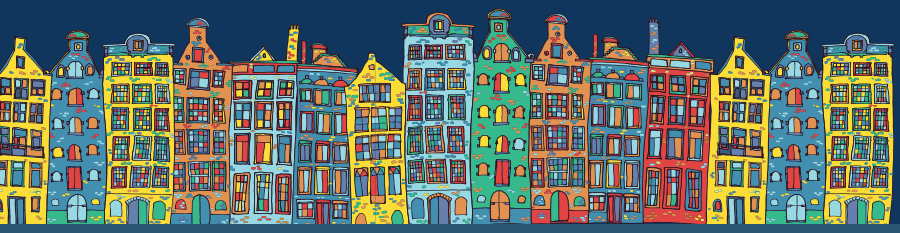

@ AMSTERDAM

3-5 Nov 2016
Hilton Schiphol Hotel

Meeting Chair
Jan-Paul Roovers

final programme

EUGA MEMBERSHIP

JOIN EUROPE'S LEADING UROGYNAECOLOGISTS

Membership to the European Urogynaecological Association is open to all professionals who are involved in the care of women with lower urinary tract or pelvic floor dysfunction (such as obstetricians / gynaecologists, urogynaecologists,urologists, and nurses). The table below will help you decide which membership level is right for you. Register online at **www.eugaoffice.org**

FULL MEMBER
Who for: Clinicians or scientists in the field
Annual fee: € 100
You will receive
Access to specialised training
Europe – wide professional networking
Information sharing opportunities.
Reduced congress / event fees
Free 12 month subscription to EJOG
Full website access
(view congress slides and other member-only content)

ASSOCIATE MEMBER
Who for: Physician Assistants / Associates, Nurses, Midwives and Medical Students
Annual fee: € 40
You will receive
Access to specialised training
Europe – wide professional networking
Information sharing opportunities
Discounted 12 month subscription to EJOG
Full website access
(view congress slides and other member-only content)

EUGA AFFILIATE SOCIETIES

- Czech Urogyneacological Society
- Continence Foundation of Ireland
- Dutch Society of Urogynaecology
- Hellenic Urogyneacological Society
- Polish Urogyneacological Society
- Portuguese Society of Urogynaecology
- Spanish Society of Gynaecology and Obstetrics
- Turkish Urogynaecology & Pelvic Reconstructive Surgery Association (TUPRA)
- Working Group in Pelvic Floor Urogynaecology (GLUP)

EUGA welcomes affiliated membership via national associations.

For more information please contact the EUGA Office at info@eugaoffice.org

EUGA Executive Committee

Stefano Salvatore (President)

Stavros Athanasiou (Vice President)

Linda Cardozo (Past President)

Barry O' Reilly (Treasurer)

Heinz Kölbl

Renaud De Tayrac

EUGA Committees

Jan-Paul Roovers (Chair of Education and Scientific Committee)

Ash Monga (Chair of Industry Liaison Committee)

Maurizio Serati (Chair of Publication Committee)

Eckhard Petri (Chair of Accreditation Committee)

MESSAGE FROM THE EUGA PRESIDENT

Stefano Salvatore,
EUGA President

Dear EUGA members and friends,
it is my pleasure to welcome you at the 9th EUGA Annual Meeting – Leading Lights in Urogynaecology in Amsterdam.
Thank to your active contribution we have exciting premises since we have received the highest number of abstract ever submitted to an EUGA meeting. The number of the actual registrations has also and already exceeded previous editions. I would like to thank all the members of the Executive Board for the continuous inputs to improve our activity. But most of all I would like to thank the Scientific Committee and its chairman Jan Paul Roovers for the great scientific programme they managed to design. Jan Paul is also the Local Chairman and with his great help we will also try to give you the flavour of the Netherlands during our social events. We do believe that for the final success of a scientific meeting the possibility to interact between participants and faculty, in a nice atmosphere, is a crucial factor. Last but not least I would like to thank also all the sponsors that this year have decided to support our meeting. We will do our best to consolidate this partnership in future.
I am looking forward to meeting all of you in Amsterdam.

MESSAGE FROM THE ANNUAL MEETING CHAIR

Jan-Paul Roovers
EUGA 2016 Meeting Chair

It is my great pleasure to welcome you to the 9th EUGA Annual Meeting in Amsterdam. The EUGA Congress is a flagship conference for Urogyneacologists in Europe and represents one of the largest gatherings of researchers and industry professionals in the field.
This year's conference is no exception and brings together more than 600 delegates from around Europe to discuss the latest advances in this vibrant and constantly evolving field. Latest advances will be discussed and presented through a diverse range of topics from innovative diagnostic and therapeutic options, basis science, as well as physiology of the vagina and pelvic organs are featured in the conference.
In addition to the stimulating program of the conference, Amsterdam, with its tourist attractions, the diversity and quality of its cuisine, and world-class facilities, is an unforgettable place to visit.
It is my hope, therefore, that you get a chance to explore Amsterdam and its surroundings, and enjoy the vibrant atmosphere of our city. It is a great privilege for me as the EUGA 2016 Chair to invite you to attend the Meeting in the hope that you find it stimulating, inspiring and enjoyable.
Wishing you a pleasant experience in the EUGA 2016, Amsterdam and I am looking forward to welcoming you.

TIMETABLE

EUGA
EUROPEAN UROGYNAECOLOGICAL ASSOCIATION

9th ANNUAL CONGRESS | Leading Lights in Urogynaecology

THURSDAY - 3 nov

13.30 - 17.00
DUTCH PELVIC FLOOR SOCIETY MEETING*

18.00 - 19.00
INDUSTRY SYMPOSIUM: ASTELLAS

19.00 - 19.05
EUGA CONGRESS WELCOME

19.05 - 19.30
HISTORICAL LECTURE ABOUT AMSTERDAM

19.30
WELCOME & RECEPTION

FRIDAY - 4 nov

08.30-09.00
KEYNOTE LECTURE, OASIS

09.00-10.00
ASSESSMENT IN URINARY INCONTINENCE

10.00-10.30
REFRESHMENT BREAK

10.30-12.00
ABSTRACT SESSION: CLINICAL RESEARCH

12.00-12.30
PATIENT IN THE CENTER

12.30-13.30
BUFFET LUNCH

13.30-13.50
BOSTON SCIENTIFIC SYMPOSIUM

13.50-14.10
COGENTIX SYMPOSIUM

14.10-14.30
COLOPLAST SYMPOSIUM

14.30-15.30
ABSTRACT SESSION: BASIC SCIENCE

15.30-16.00
KEYNOTE LECTURE. PHYSIOLOGY OF THE PELVIS

16.00-16.30
REFRESHMENT BREAK

16.30-17.30
EUROPEAN PARADIGM TO MANAGE SUI

17.30-18.00
KEYNOTE LECTURE

18.10-18.40
EUGA AGM

20.00
EUGA DINNER

SATURDAY - 5 nov

08.30-09.30
VIDEO SESSION

09.30-11.00
VAGINAL MESH OR LAPAROSCOPIC MESH:
HOW TO DEAL WITH SCENIHR

11.00-11.30
REFRESHMENT BREAK

11.30 -13.15
WORKSHOP I** URODYNAMICS

11.30 - 13.00
WORKSHOP II** PHYSIOTHERAPY

11.30 - 13.15
WORKSHOP III** DEKA M.E.L.A.

11.30 - 12.30
12.30 - 14.00
WORKSHOP IV** ALLERGAN

11.30-13.00
WORKSHOP V** LAPAROSCOPIC SACROCOLPOPEXY

13.00-14.00
BUFFET LUNCH

* All the Dutch Pelvic Floor Society lectures will be in English.
**Workshops are included in the registration fee. It is however necessary to confirm your participation while carrying out the registration process, as there is limited availability and booking is arranged on a first come first served basis.

SCIENTIFIC PROGRAMME - THURSDAY, 3 November 2016

12.00	Registration	
13.30-15.30	1st SESSION | DUTCH PELVIC FLOOR SOCIETY MEETING * Chairs: J.P. Roovers and A. Vollebregt	
	Dr Harry Vervest is one of the founding fathers of the Dutch Pelvic Floor Society. He is also IUGA past president. He was the first to introduce mid-urethral sling surgery and later vaginal mesh surgery in the Netherlands; furthermore, he has been an esteemed representative of Dutch Urogynaecology throughout the world. He has recently decided to retire from his professional activities. Thus, the Dutch Pelvic Floor Society is honoured to pay a tribute to Dr. Vervest's work and career, by dedicating its Symposium to him.	
13.30	Welcome	J. P. Roovers - S. Salvatore
13.40	Urogynaecology, only the future matters	H. Vervest
14.00	The sheep as model of prolapse	J. Deprest
14.20	And then there was .... TVT	P. Riss
14.40	Anal sphincter rupture: what's next	A. Sultan
15.00	Childbirth and the levator ani: damage and recovery	R. Thakar
15.30 – 16.00	Coffee break	
16.00-17.00	2nd SESSION | DUTCH PELVIC FLOOR SOCIETY MEETING* Chairs: P. Riss and R. Thakar	
16.00	What's wrong with native tissue repair?	H. Van Geelen
16.15	Ultrasound; still promising after all these years?	M. Vierhout
16.30	Value-based healthcare	H.van der Vaart
16.45	Laudatio for Harry Vervest	F. Milani
17.00	Discussion	
18.00 – 19.00	Sponsored Symposium**	
19.00 – 19.05	EUGA Congress Welcome – Stefano Salvatore	
19.05-19.30	HISTORICAL LECTURE ABOUT AMSTERDAM *Patient care in the red light district* *Chairs: S. Salvatore and J.P. Roovers*	R.Van Noorden
19.30	Welcome Reception & Buffet Dinner in Exhibition Area	

*for this session, an additional 50 € fee is required. Any participants are also required to register to EUGA Congress. See Registration paragraph, p. 19.
**for more details, see p. 16

SCIENTIFIC PROGRAMME - FRIDAY, 4 November 2016

08.30	Keynote Lecture Obstetric anal sphincter injury. What can we do to optimise outcome?	A. Sultan

09.00-10.00 3rd SESSION - ASSESSMENT OF URINARY INCONTINENCE

Chairs: : S. Salvatore, A. Vollebregt, M. Espuna Pons

09.00	Assessment of urinary incontinence: presentation of a case	A. Vollebregt
09.15	How to optimise history taking and pelvic examination?	D. Robinson
09.30	What is the role of function tests?	L. Gerbrandy
09.45	What is the role of imaging?	K. Svabik

10.00 – 10.30 Coffee break

10.30 – 12.00 4th SESSION - ABSTRACT SESSION: CLINICAL RESEARCH

Chairs: G. Neumann, E. Janszen

Presentations are scheduled to last 6.5 minutes (4 min. presentation, 2.5 min. discussion)

1 - O URGE 1 study – a randomized cross-over clinical trial to compare medical treatment of urgency urinary incontinence with surgical treatment
Jager Wolfram, Ludwig Sebastian, Stumm Martin, Mallmann Peter

2 - O Persistence and adherence with mirabegron versus antimuscarinics in overactive bladder: retrospective analysis of a UK General Practice prescription database
Wagg Adrian, Foley Steve, Peters John, Nazir Jameel, Kool-Houweling Leanne, Scrine Ludmila

3 – O Long-term satisfaction rate of two different trans-obturator techniques for surgical treatment of women with urinary incontinence: a randomized study follow-up
Serdinsek Tamara, But Igor

4 – O Tolerability, efficacy and durability of response of intravesical injection of botulinum toxin type A into detrusor muscle
Feyisetan Oladapo

5 – O CO2-Laser Therapy in women with Severe Symptoms of Vaginal Atrophy: A Pilot Histopathological Study
Pitsouni Eleni, Grigoriadis Themos, Zacharakis Dimitris, Tsiveleka Aneliki, Danas Eugene, Theocharis Stamatios, Athanasiou Stavros

6 – O Effect of episiotomy on pelvic floor injuries and urogynecological complaints
Speksnijder Leonie, Oom Daniella M. J., Steegers Eric A.P., Steensma Anneke B.

7 – O Is evacuation proctography still the gold standard for the diagnosis of posterior compartment pelvic floor disorders?
van Gruting Isabelle, Stankiewicz Aleksandra, Kluivers Kirsten, Blake Helena, Thakar Ranee, Sultan Abdul

8 – O Pelvic floor muscle strength in the postpartum period of women with history of obstetric anal sphincter injuries
Ros Cristina, Martínez-Franco Eva, Santoro Giulio Aniello, Palau Maria José, Wieczorek Pawel Andrej, Espuña Montserrat

9 – O Variation of elasticity in the pelvic floor muscles for incontinent and prolapsed women
Silva Elisabete, Brandão Sofia, Parente Marco, Mascarenhas Teresa, Natal Jorge Renato

10 – O 3D / 4D Ultrasound findings compared to pelvic floor symptoms in women diagnosed with obstetric anal sphincter tear
Speksnijder Leonie, Steensma Anneke, de Vos Denise

11 – O Should our approach to continence surgery differ depending on ethnicity?
Bray Rhiannon, Hendicken Caroline, Ford Abigail, Digesu Alex, Fernando Ruwan, Khullar Vik

12 – O WOMEN-UP consortium; an European project to develop an innovative treatment for stress incontinence
Montserrat Espunas Pons and Arnoud Kastelein on behalf of the Women-Up consortium

12.00 – 12.30 5th SESSION - PATIENT IN THE CENTRE

Chairs: C. van der Houwen, H. Kölbl

12.00	The patient's point of view	J. Whitehead
12.15	The gynaecologist's point of view	A. Monga

12.30 – 13.30 Lunch break

13.30 - 14.30 Sponsored Symposia*

*see p. 16 for more details

SCIENTIFIC PROGRAMME - FRIDAY, 4 November 2016

14.35 – 15.30 **6th SESSION – ABSTRACT SESSION: BASIC SCIENCE**
Chairs: J. Deprest, V.Dietz, J. P. Roovers

Presentations are scheduled to last 6.5 minutes (4 min. presentation, 2.5 min. discussion)

13 – 0 Urinary endothelin and endothelin pathway gene expression in overactive bladder
Miotla Pawel, Cartwright Rufus, Franklin-Nembhard Larissa, Mahboobani Shiv, Järvelin Marjo-Riitta, Khullar Vik

14 – 0 Effect of simulated vaginal birth on urethral function and vaginal smooth muscle contractility
Callewaert Geertje, Monteiro Carvalho Mori Da Cunha Marina Gabriela, Sampaolesi Maurilio, Albersen Maarten, Deprest Jan

15 – 0 Optimal delivery route of mesoangioblasts for stem cell therapy in rat model for simulated vaginal birth injury
Monteiro Carvalho Mori da Cunha Marina Gabriela, Callewaert Geertje, Giacomazzi Giorgia, Russo Francesca Maria, Hympanova Lucie, van de Velde Greetje, Albersen Maarten, Sampaolesi Maurilio, Deprest Jan

16 – 0 Ureidopyrimidinone-polycaprolactone electrospun mesh reinforce rabbit abdominal wall incisional hernia maintains physiological compliance
Mori da Cunha Marina Gabriela, Hympanova Lucie, Rynkevic Rita, Gallelo Monica, Wach Radoslaw, Olejnik Alicja, Mes Tristan, Bosman Anton, Vange Jakob, Callewaert Geertje, Deprest Jan

17 – 0 Exome chip study provides novel insights into the genetics of pelvic organ prolapse
Lince Sabrina L., Kluivers Kirsten B., Cartwright Rufus, Ruiz-Zapata Alejandra M., Kerkhof Manon H., Pecanka Jakub, Kiemeney Lambertus A., Vermeulen Sita H., Goeman Jelle J., Allen-Brady Kristina, Norton Peggy A., Oosterwijk Egbert, Poelmans Geert

18 – 0 Fractional co2 laser effect on thick connective tissue of the vaginal wall of women with anterior vaginal prolapse: an ex-vivo study
Salvatore Stefano, Virgilio S., Palmieri Stefania, Girardelli Serena, Redaelli Anna, Parma Marta, Candiani Massimo, Calligaro Alberto

19 – 0 Cyclic mechanical loading regulates the behaviour of pelvic-organ-prolapse fibroblasts supported by electrospun matrices
Vashaghian Mahshid, Diedrich Chantal Magdalaine, Smit Theodor, Roovers Jan Paul

20 – 0 Changes in the mean echogenicity and area of the urethra during pregnancy and after delivery
van de Waarsenburg Maria Kristina (Kim), van Boxel Vera, Grob Anique, Schweitzer Karlijn, van der Vaart Carl (Huub), Withagen Mariëlla

21 – 0 The influence of pregnancy on simulated vaginal birth injury in a rat model
Callewaert Geertje, Monteiro Carvalho Mori Da Cunha Marina Gabriela, Albersen Maarten, Deprest Jan

15.30 Keynote Lecture — C. Ince
Chair: J. P. Roovers

What do gynaecologists need to know about vessels in the pelvis?

16.00 – 16.30 Tea break

16.30 – 17.30 **7th SESSION – SUI : TOWARDS A COMMON EUROPEAN DIAGNOSTIC AND THERAPEUTIC ALGORITHM**
Chairs: H. van der Vaart, S. Athanasiou

16.30 The profile of the patient: conservative treatment or surgery? — M. Meschia
16.45 The profile of the patient: which sling do we select? — K. Tamussino
17.00 What to do when things go wrong — R. Freeman
17.15 Discussion on patient selection

17.30 Keynote Lecture — P. Riss
Chairs: W. Spaans, B. O'Reilly
Controversies in scientific publishing

18.10-18.40 EUGA AGM

20.00 EUGA Dinner**

**Confirmation needed during registration process as booking are arranged on a first come first served basis.

SCIENTIFIC PROGRAMME - SATURDAY, 5 November 2016

08.30 – 09.30 9th SESSION - VIDEO SESSION

Chairs: S. van Leijsen, R. de Tayrac

Presentations are scheduled to last 8 minutes (5 min. presentation, 3 min. discussion)

1 V Mini-laparoscopic transvesical approach for the management of urethral mesh erosion
Hogan Ryan, Flint Richard, Cobb Alexandra, Khan Kimmee, Afors Karolina, Grange Philippe, Bidmead John

2 V Single site robotic-assisted abdominal lateral suspension (ssr-als) for advanced pelvic organ prolapse: first case reported
Giannini Andrea, Russo Eleonora, Mannella Paolo, Simoncini Tommaso

3 V Trans-vaginal rectal plication: Video Presentation
Sioutis Dimos, Fairclough E, Smith ARB, Reid FM

4 V Vesicovaginal fistula repair using a Martius flap
García Gamón Valero Marta, Akhoundova Sanoyan Farida, Giménez Roca Laura, Bauset Castelló Celia, Jorge Gómez Vicente, Nohales Alfonso Francisco

5 V Laparoscopic management of vaginal mesh extrusion
Pradhan Ashish, Pandeva Ivilina, Slack Mark

6 V Transabdominal VVF repair - A tertiary centre experience
Sankhwar Satyanarayan, Sankhwar Pushpa, Bhaskar Ved

7 V Laparoscopic VVF repair - Our experience
Sankhwar Satyanarayan, Sankhwar Pushpa, Bhaskar Ved

V = Video Presentation

09.30 – 11.00 10th SESSION - VAGINAL MESH OR LAPAROSCOPIC MESH: HOW TO DEAL WITH SCENIHR

Chairs: L. Cardozo and H. Vervest

09.30	Vaginal mesh surgery; technique and avoiding complications	J. P. Roovers
09.50	Laparoscopic mesh surgery; technique and avoiding complications	J. Deprest
10.10	Evidence: vaginal or laparoscopic mesh	J.P. Lucot
10.30	Response to SCENIHR report	M. Slack

11.00 – 11.30 Coffee break

11th SESSION - WORKSHOPS***

11.30 - 13.15 1. **Urodynamics** @BALLROOM
A Practical Course from Basic to Advanced
Chair: Dudley Robinson

11.30	Introduction	D. Robinson
11.35	Assessment and Initial Management of Lower Urinary Tract Symptoms	A. Rantell
11.55	Cystometry	A. Rantell
12.05	Videocystourethrography	D. Robinson
12.20	Ambulatory urodynamics	A. Rantell
12.30	Urethral Pressure Profilometry	A. Rantell
12.40	Special Considerations: Neurogenic Patients	D. Robinson
12.50	Special Considerations: Elderly	A. Rantell
13.00	Case Presentations and Group discussion	A. Rantell, D. Robinson

SCIENTIFIC PROGRAMME - SATURDAY, 5 November 2016

11.30 - 13.00 2. **Physiotherapy** @ROOM 15
Evidence-based pelvic physiotherapy:from assessment to functional training in clinical practice
Chair: B. Berghmans

11.30	Introduction	B. Berghmans
11.40	Evidence-based pelvic physiotherapy	B. Berghmans
12.10	Assessment of the pelvic floor	M. Seleme
12.30	Practical part: how to build up a pelvic floor muscle training that patients adhere to	B. Berghmans, M. Seleme

11.30 - 13.15 3. **Laparoscopy** @ROOM 10
Laparoscopic Sacrocolpopexy / Hysteropexy: hands on workshop
Chair: C. Phillips

Group A	Group B		
11.30	11.30	Welcome and Introduction	C Phillips
*11.35	12.30	Sacrocolpopexy: Anatomy and procedure steps	B. Deval, C. Phillips
11.55	12.55	Sacrocolpopexy: learning curve	J. Deprest
12.05	13.05	Sacrohysteropexy	S. Jackson, N. Price
12.15	13.15	Laparoscopic suturing: tips and tricks	A. Thurkow
12.30	*11.35	Laparoscopic trainers with faculty	

11.30 – 13.15 4. **Sponsored Workshop** @ROOM 24
CO2 fractional Laser for the Genitourinary Syndrome of Menopause
Chair: S. Athanasiou

11.00 – 14.00 5. **Sponsored Workshop** @ROOM 9
Hands-on training: administration of BOTOX® (botulinum toxin type A) for OAB

13.15 Buffet Lunch

*** Workshops are included in the registration fee. It is however necessary to confirm your participation while carrying out the registration process, as there is limited availability and booking is arranged on a first come first served basis. See Registration paragraph, p. 19. For sponsored workshops, please see p. 16.

NON DISCUSSED POSTER

1 - P Decline of detrusor voiding contraction (contractility) in women related to age; clinical epidemiology (and comparison with male detrusor contractility)
Rosier Peter F.W.M.

2 - P Effect of cervicosacropexy (CESA) or vaginosacropexy (VASA), with or without mid-urethral tape, on urinary incontinence symptoms
Jäger Wolfram, Ludwig Sebastian

3 - P Comparison of prolapse under slight tension in women with and without urinary incontinence
Stumm Martin, Ludwig Sebastian, Jäger Wolfram

4 - P Miniarc in the treatment of female stress urinary incontinence: correlation between BMI and outcome
Regini Cristina, Manodoro Stefano, Cola Alice, Frigerio Matteo, Spelzini Federico, Milani Rodolfo

5 - P Which surgical approach for cystocele associated with stress urinary incontinence? Our experience
Del Deo Fabio, Grimaldi Antonio, Iervolino Speranza Anna, Pezzella Mariateresa, Torella Marco

6 - P Influence of age, BMI and parity on the success-rate of midurethral slings for stress urinary incontinence
Laterza Rosa Maria

7 - P How effective is Bulkamid in mixed urinary incontinence?
Villiger Anna-Sophie, Mohr Stefan, Marthaler Christine, Monga Ash, Soheil Soheil, Mueller Michel, Kuhn Annette

8 - P Systemic Atherosclerosis causes Overactive bladder: Is there a causative link between bladder vascular perfusion and Overactive bladder?
A. Ozgur Yeniel, Ergenoglu A. Mete, Kismali Erkan, Meseri Reci, Ari S. Anil, Kavukcu Gulgun, Aydin Hikmet Hakan, Ak Handan, Atay Sevcan, Itil Ismail Mete

9 - P Use of uroflow parameters as a antimuscarinics treatment efficacy monitoring in OAB patients – preliminary report of multicenter study
Futyma Konrad, Nowakowski Lukasz, Stangel-Wójcikiewicz Klaudia, Zietek Alicja, Futyma Lukasz, Godlewski Dominik, Abramczyk Adrian, Rechberger Tomasz

10 - P A survey on patient-preference management of post-partum stress incontinence
Marotta Elena, Girardelli Serena, Capito Luigi, Redaelli Anna, Parma Marta, Candiani Massimo, Salvatore Stefano

11 - P How to improve mini-invasive patient selection before sling without urodynamics
Salvatore Stefano, Serati Maurizio, Parma Marta, Sorice Paola, Redaelli Anna, Girardelli Serena, Candiani Massimo

12 - P An Innovative Surgical Technique to Manage Congenital Uterine Prolapse
Jaiswar Shyam Pyari, Sankhwar Pushp Lata, Deo Sujata

13 - P Long-term results of a RCT comparing sacrospinous hysteropexy and vaginal hysterectomy with suspension of the uterosacral ligaments in treatment of uterine prolapse stage 2 or higher
Detollenaere Renée, van Meegdenburg Jil, Stekelenburg Jelle, Kluivers Kirsten, van Eijndhoven Hugo

14 - P Quality of life and sexual function three years after vaginal mesh implantation: Results of a prospective study
Farthmann Juliane, Mengel Matthias, Henne Birgit, Grebe Markus, Watermann Dirk, Kaufhold Jan, Fünfgeld Christian

15 - P Intra-, peri- and postoperative complications in pelvic organ prolapse surgery in elderly women
Körnig Marc Pascal, Brühlmann Esther, Heinzelmann-Schwarz Viola, Günthert Andreas, Christmann Corina

16 - P Pelvic organ prolapse surgery – should the gold standard be day-case? A five year retrospective review of practice at a district general hospital
Smith Georgia, Glanville Jessica, Narayanan Subramanian

17 - P Bovine pericardium graft augmentation versus native tissue repair in anterior prolapse surgery
Beretta Carlo, Frigerio Matteo, Manodoro Stefano, Cola Alice, Spelzini Federico, Milani Rodolfo

18 - P Pregnancy outcomes after transvaginal sacrospinous hysteropexy
Cavkaytar Sabri, Kokanali Mahmut Kuntay, Tasdemir Umit, Doganay Melike, Aksakal Orhan Seyfi

19 - P Preliminary outcomes of modified sacrohysteropexy with unilateral mesh attachment
Pandeva Ivilina, Ashish Pradhan, Van Roon Yves, Slack Mark

NON DISCUSSED POSTER

20 - P Long-term analysis of nature and reoperation rates after transvaginal Prolift mesh repair
Pécheux Océane, Cosson Michel, De Landsheere Laurent

21 - P Robotic assisted surgical repair of advanced female pelvic organ prolapse: comparison between robotic assisted-abdominal sacral cervico / colpopexy and robotic-assisted lateral suspension
Simoncini Tommaso, Russo Eleonora, Mannella Paolo, Giannini Andrea

22 - P Sacrocolpopexy as treatment for anterior compartment prolapse
Bennenbroek Sophie, Veen Joggem, Bongers Marlies Y., Coolen Anne Lotte

23 - P One year outcomes following vaginal sacrospinous ligament colpo / hysteropexy - a prospective cohort comparison of miya hook versus the capio suturing device
Pandeva Ivilina, Johnson Helen, Pradhan Ashish

24 - P Outcome of laparoscopic rectopexy combined with prolapse surgery for women with prolapse and obstructed defecation
Sioutis Dimos, Reid Fiona, Ward Karen, Telford Karen, Finlay Curran, Smith Anthony, Kearney Rohna

25 - P Transvaginal rectal plication: a new approach to posterior compartment prolapse
Sioutis Dimos, Smith Anthony, Reid Fiona

26 - P Association of sexual function with the compartment of pelvic organ prolapse
Seval Murat, Cetinkaya Serife Esra, Dokmeci Fulya

27 - P Long term outcomes following laparoscopic sacrocolpopexy for post hysterectomy vault prolapse
Nightingale Gemma, Shehab Qasem, Phillips Christian

28 - P Impact of intravesical onabotulinumtoxinA on sexual function in women with OAB.
Miotla Pawel, Cartwright Rufus, Skorupska Katarzyna, Bogusiewicz Michal, Markut-Miotla Ewa, Futyma Konrad, Rechberger Tomasz

29 - P Effect of episiotomy on sexual function
Speksnijder Leonie, Oom Daniella M. J., Steegers Eric A. P., Steensma Anneke B.

30 - P Risk factors for surgery and recurrence in pelvic floor disorders
Pereda Nuñez Ana, Manresa Lamarca Margarita, Perez de Puig Maria, Alvarez Cañadas Veronica, Ojeda Perez Felipe

31 - P Retrospective evaluation of efficacy and safety of intravesical 0.2 % chondroitin sulphate solution in urinary tract infections in comparison to treatment of UTI with long-term low-dose antibiotics
Rahnama'i M. Sajjad, Rozenberg Boy B., Röschmann Kristina, Arendsen H.J.

32 - P The Role of the Specialist Perineal Midwife in the management of OASIS / childbirth related perineal trauma: The way forward
Manresa Margarita, Pereda Ana, Webb Sara

33 - P Imaging modalities for the detection of posterior compartment disorders in women with obstructed defecation syndrome: a meta- analysis
van Gruting Isabelle, Stankiewicz Aleksandra, Thakar Ranee, Int Hout Joanna, Santoro Giulio, Sultan Abdul

34 - P Treatment of Genitourinary Syndrome of Menopause with Erbium : YAG laser
Milani Rodolfo, Manodoro Stefano

35 - P Modified TOT, Canal TOT to mitigate mesh erosion in stress urinary incontinence surgery
Lee Kyo Won, Kim Jeong Jin, Kim Ji Ye, Kim Pomi, Yang Hae Sun, Yun Enu Ju

36 - P Risk factors for postoperative urinary tract infection following midurethral sling procedures
Doganay Melike, Kokanali Mahmut Kuntay, Cavkaytar Sabri, Ozer Irfan, Aksakal Orhan Seyfi, Erkaya Salim

37 - P Too posh to pee – an audit of postnatal voiding dysfunction in a tertiary maternity unit
Keane Declan, Kelly Linda, O'Connell Maria

38 - P To pee or not to pee: What are the long-term sequelae after postoartum urinary Retention?
Gobrecht Ursula, Mohr Stefan, Radan Anda, Genoud Sophie, Raio Luigi, Mueller Michael, Kuhn Annette

39 - P What Urogynecologists Should Know About Salpingectomy
Tamussino Karl

NON DISCUSSED POSTER

40 - P Validation of the Urogenital Distress Inventory (UDI-6) and Incontinence Impact Questionnaire (IIQ-7) in Polish women
Skorupska Katarzyna, Miotla Pawel, Kubik-Komar Agnieszka, Skorupski Pawel, Rechberger Tomasz

41 - P Combined Therapy in Recurrent Bacterial Cystitis in Women
Guercini Federico, Di Marco Massimiliano, Carbone Antonio, Palleschi Giovanni, Pastore Antonio, Fraioli Alessia, Mattioli Manuela, Pajoncini Cinzia, Avitabile Cristina, Parascani Raniero

42 - P Parenting pressure and sexual functions in women first-time parents after one year
Pezzella Mariateresa, Iervolino Speranza Anna, Del Deo Fabio, Grimaldi Antonio, Torella Marco, Colacurci Nicola

43 - P The prevalence of sexual function and sexual dysfunction in women attending a urogynaecology clinic, assessed by computer interviewing
Gray Thomas, Money-Taylor John, Campbell Patrick, Radley Stephen

44 - P The impact of pelvic organ prolapse and urinary incontinence and their treatment on sexual function
Grimaldi Antonio, Del Deo Fabio, Pezzella Mariateresa, Iervolino Speranza Anna, Torella Marco

45 - P Postpartum sexual dysfunction and pelvic floor rehabilitation: 1 year follow-up.
Iervolino Speranza Anna, Grimaldi Antonio, Del Deo Fabio, Pezzella Mariateresa, Torella Marco

46 - P Long term outcomes of transobturator tape for the treatment of stress urinary incontinence
McCarthy Claire, O'Sullivan Orfhlaith, O'Reilly Barry

47 - P The "1-3-5 cough test": Relation of the severity of Urodynamic Stress Incontinence with objective measures of incontinence severity
Grigoriadis Themos, Pitsouni Elina, Zacharakis Dimitris, Giannoulis George, Protopapas Athanasios, Athanasiou Stavros

48 - P Chronic Vulvovaginitis caused by abundant lactobacilli in women with Vulvodynia
Ricci Paolo, Sfeir Daniel

49 - P Etiological factors associated to Pudendal Neuralgia
Ricci Paolo, Sfeir Daniel

50 - P Diagnoses of obstetric anal sphincter tear based on 3D/4D ultrasound versus diagnoses by surgeon postpartum
Speksnijder Leonie, Steensma Anneke, de Vos Denise

51 - P Microdissection-based PCR detection of Trichomonas vaginalis and Mycoplasma hominis in conventional Papanicolaou smears
Nikas Ilias, Mollenhauer Martin, Angermeier Daniela, Bettstetter Marcus, von Hehn Ulrike, Geist Birgit, Götz Robert, Schenck Ulrich, Weirich Gregor

52 - P Is there any difference in the efficacy of local oestrogen when comparing women with OAB dry to wet?
Girardelli Serena, Del Deo Fabio, Materazzo Maria Grazia, Parma Marta, Redaelli Anna, Torella Marco, Meschia Michele, Salvatore Stefano

53 - P A clinical feasibility and safety study on a new medical device for standardized episiotomy
Diedrich Chantal M.

54 - P Should screening for sexual dysfunction be a routine part of urogynaecology assessment?
Rantell Angie, Robinson Dudley, Cardozo Linda

55 - P Follicular vs Luteal phase – does timing of urodynamics matter?
Araklitis George, Hunter Jo, Thiagamoorthy Ganesh, Cardozo Linda, Robinson Dudley

56 - P The Urodynamics experience - are our patients satisfied?
Hunter Jo, Cardozo Linda, Robinson Dudley, Thiagamoorthy Gans, Araklitis George, Davis Cathy

57 - P The psycho-social impact of lower urinary tract symptoms - are we asking the correct questions?
Hunter Jo, Cardozo Linda, Robinson Dudley, Thiagamoorthy Gans, Araklitis George, Davis Cathy

58 - P Obstetrical health-care providers' attitudes towards postnatal pelvic floor dysfunction
Cooke Carly

59 - P The efficacy of intravesical instillation with Hyaluronic Acid (HA) in improving sexual function in women with bacterial / abacterial recurrent urinary tract infections (RUTIs)
Nightingale Gemma, Miller Jane, Rush Lorraine, Rowe-Jones Clare, Shehab Qasem, Phillips Christian

60 - P A Polycaprolactone Based Bulking Agent For Female Stress Urinary Incontinence Treatment; A 6 month Pilot Study
Eremenko Alexey, Hung Man-Jung

NON DISCUSSED POSTER

61 - P Endopelvic free anchor minisling technique for stress urinary incontinence treatment: 10 years of experience
Iturri León Velarde Maria Alejandra

62 - P Evaluation of pelvic floor and abdominal muscles among nulliparous athletes
Roza Thuane, Mara Santos Keyla, Brandao Sofia, da Luz Soraia, Mascarenhas Teresa, Natal Jorge Renato

63 - P The effect of pelvic floor muscle training in elderly women with urinary incontinent: a systematic review
Elisabete Texeira da Silva, Rocha Flávia, Viana Rui, Carvalho Maria Joana, Jorge Renato

64 - P Effect of pelvic floor muscle training on urinary incontinence during pregnancy
Naaram Nithya M.

65 - P Comparison of results between classic TOT vs. SIMS to 12 months follow-up
García Gamón Valero Marta, Sanchez Ajenjo Carlos, Aguilar Crespo Alejandra, Bauset Castelló Celia, Jorge Gómez Vicente, Nohales Alfonso Francisco

66 - P The management of post-hysterectomy vaginal vault prolapse: a systematic review and meta-analysis.
Coolen Anne - Lotte W.M.

67 - P Ureidopyrimidinone electrospun mesh does not adversely affect rat abdominal wall model compliance
Hympanova Lucie, Mori da Cunha Marina Gabriela, Rynkevic Rita, Gallelo Monica, Wach Radoslaw, Olejnik Alicja, Mes Tristan, Bosman Anton, Vange Jakob, Callewaert Geertje, Urbankova Iva, Sindhwani Nikhil, Van de Aa Frank, Deprest Jan

68 - P The effect of cyclic loading on the mechanical performance of novel electrospun meshes for pelvic organ prolapse repair
Rynkeivic Rita, Martins Pedro, Ramiao Nilza, Gallego Monica, Fernandes Antonio, Deprest Jan

69 - P Differences of the extracellular matrix composition in the vaginal wall of postmenopausal women with pelvic organ prolapse
Ruiz-Zapata Alejandra M., Heinz Andrea, Kluivers Kirsten, Oosterwijk Egbert, Stoop Reinout, Hessakkers John, Schmelzer Christian, Kerkhof Manon H.

70 - P Gene expression profiles of HOXA 11 & 13, COL1A & COL3A and ESRα & ESRα in uterosacral and round ligaments of postmenopausal women with and without prolapse
Dokmeci Fulya, Teksen Fulya, Cetinkaya Serife Esra, Ozkan Tulin, Kaplan Fuat

71 - P Agreement and Reliability of Anal Sphincter Volume Measurements during Rest using Virtual Reality Imaging
Speksnijder Leonie, Oom Daniella, Steegers Eric, Koning Anton, Steensma Anneke, de Vos Denise

72 - P Is vaginal atrophy associated with an altered microcirculation of the vaginal wall?
Diedrich Chantal M., Verri F.M., Zwolsman S.E., Ince C., Roovers J.P.W.R.

73 - P Structural arrangement of vesicouterine fistula: an immunohistochemical study
Józwik Maciej, Józwik Marcin, Kozlowski Robert, Szymanowski Pawel, Semczuk Andrzej, Sulkowski Stanislaw

74 - P Changes in the dimensions of levator hiatus during pregnancy and post delivery. Analysis of data from a prospective study using 3d transperineal ultrasound
Mikos Themistoklis, Sanozidis Antonios, Assimakopoulos Efstratios, Papameletiou Vasileios, Athanasiadis Apostolos, Tantanasis Theoharis, Tarlatzis Basil

FACULTY

Stavros Athanasiou | Associate Professor in Urogynaecology, Medical School, University of Athens – Athens, Greece

Bary Berghmans | Associate professor, clinical epidemiologist, pelvic physiotherapist, Pelvic Care Center– Maastricht, Netherlands

Linda Cardozo | Professor of Urogynaecology and Consultant Gynaecologist at King's College Hospital - London, UK

Jan Deprest | Professor of Obstetrics and Gynaecology, KU Leuven – Leuven, Belgium

Bruno Deval | Professor of Gynaecology at Clinique Geoffroy Saint Hilaire - Paris, France

Renaud de Tayrac | Professor of Obstetrics and Gynaecology, Nimes University Hospital – Nimes, France

Viviane Dietz | Gynaecologist, Department of Obstetrics and Gynaecology, Catharina Hospital - Eindhoven, Netherlands

Montserrat Espuna Pons | Professor of Gynaecology, Hospital Clinic – Barcelona, Spain

Robert Freeman | Urogynaecology Consultant, Plymouth Hospitals, Hon. Professor, IUGA President – Plymouth, England

Lara Gerbrandy - Schreuders | Urologist, AMC – Amsterdam, Netherlands

Can Ince | Head of Translational Physiology Department, AMC Amsterdam – Amsterdam, Netherlands

Simon Jackson | Consultant Gynaecologist and Urogynaecologist at John Radcliffe Hospital Oxford – Oxford, UK

Erica Janszen | Gynaecologist, OLVG – Amsterdam, Netherlands

Heinz Kölbl | Chair of Gynaecology Division, General Gynaecology and Gynaecologic Oncology, Medical University of Vienna – Vienna, Austria

Jean Philippe Lucot | Department of Obstetrics and Gynaecology at Regional University Hospital Jeanne de Flandre - Lille, France

Michele Meschia | Professor of Gynaecology, Magenta Hospital – Magenta, Italy

Alfredo L. Milani | MD, PhD, Urogynaecologist, Reinier de Graaf Group, Obstetrics & Gynaecology – Delft, Netherlands

Ash Monga | BSUG; Consultant Gynaecologist, Princess Anne Hospital – Southampton, UK

Gert Naumann | Chief Physician, Clinic for Gynaecology and Obstetrics, Helios Klinik – Erfurt, Germany

Barry O'Reilly | Consultant Obstetrician and Gynaecologist; Subspecialist in Urogynaecology, Cork University Maternity Hospital – Cork, Ireland

Christian Phillips | Consultant Gynaecologist at the North Hampshire Hospital – Basingstoke, UK

Natalia Price | Consultant Gynaecologist and Urogynaecologist, John Radcliffe Hospital – Oxford, UK

Angela Rantell | Lead Nurse, Urogynaecology King's College Hospital NHS Foundation Trust – London, UK

Paul Riss | Emeritus Professor at the Medical University of Vienna, Obstetrics & Gynaecology – Vienna, Austria

Dudley Robinson | Consultant Urogynaecologist; Honorary Senior Lecturer, Kings College Hospital – London, UK

Jan-Paul Roovers | Associate Professor & Head of Gynaecology Division - AMC Amsterdam, Bergman Clinics – Amsterdam, Netherlands

Stefano Salvatore | Urogynaecology Professor, San Raffaele Hospital and University of Milan – Milan, Italy

Maura Seleme | Physiotherapist, Director of Abafi Centre – Maastricht, Netherlands

Mark Slack | Consultant Urogynaecologist, Addenbrooke's Hospital – Cambridge, UK

Wilbert Spaans | Urogynaecologist, specialised in minimally invasive surgery - Maastricht, Netherlands

Abdul Sultan | Consultant Obstetrician and Gynaecologist, Croydon University Hospital – Croydon, UK

Kamil Svabik | Urogynaecologist, Pelvic Floor Reconstructive Surgery Centre, First Charles University – Prague, Czech Republic

Karl Tamussino | Professor, Obstetrics & Gynaecology Department, University of Graz – Graz, Austria

Ranee Thakar | Consultant Obstetrician and Urogynaecologist, Croydon University Hospital – Croydon, UK

Andreas Thurkow | Consultant Obstetrician and Gynaecologist at St. Lucas Andreas Hospital – Amsterdam, Netherlands

Clasien van der Houwen | Gynaecologist at Tjongerschans Hospital – Heerenveen, Netherlands

Huub van der Vaart | Professor of Urogynaecology, German Pelvic Floor Centre, St. Hewig Hospital – Berlin, Germany

Hans van Geelen | Consultant and IUGA Past President, Foundation Pelvic Floor Patient (SBP) - Oss, Netherlands

Sanne van Leijsen | Obstetrics and Andrology Specialist at Radboud University Medical Centre – Nijmegen, Netherlands

Ron Van Noorden | Professor at Amsterdam University College – Amsterdam, Netherlands

Harry Vervest | Urogynaecologist, IUGA Past President – Tilburg, Netherlands

Mark Vierhout | Urology and Gynaecology Specialist, Radboud University Medical Centre – Nijmegen, Netherlands

Astrid Vollebregt | Head of Educational Committee at Spaarne Hospital, Chair of Ducth Pelvic Floor Society – Hoofddorp, Netherlands

SPONSORED WORKSHOPS & SYMPOSIA

THURSDAY, 3RD NOVEMBER 2016

Sponsored Symposium | OAB – Stepping into the Real World — @BALLROOM
Chair: Prof. Jan-Paul Roovers | 18.00 – 19.00

18.00 - 18.05	The Rules of Engagement!	Ed Christie
18.05 - 18.15	Chairman's Introduction	Jan-Paul Roovers
18.15 - 18.55	Our OAB Patient – In the Clinic	Jan-Paul Roovers
	Case-based discussion & Q&A	Adrian Wagg
		Annette Kuhn
18.55 - 19.00	Chairman's Closing Remarks	Jan-Paul Roovers

FRIDAY, 4TH NOVEMBER 2016

Sponsored Symposium | Rationale for Uphold Lite — @BALLROOM
Chair: Prof. Renaud de Tayrac | 13.30 – 13.50

Sponsored Symposium | PTNS, a State of the art lecture — @BALLROOM
Chair: Prof. Jan-Paul Roovers | 13.50 – 14.10

Sponsored Symposium | Ultra-light meshes: the renewal of vaginal surgery? — @BALLROOM
Chair: Prof. Renaud de Tayrac | 14. 10 – 14.30

SATURDAY, 5TH NOVEMBER 2016

SPONSORED WORKSHOP — @ROOM 9
Hands-on training: administration of BOTOX® (botulinum toxin type A) for OAB
Workshop 1 | Room 9, 11.00 – 12.30
Workshop 2 | Room 9, 12.30 – 14.00

15'	Patient selection and preparation
60'	Rotation through stations: 1- Flexible cystoscopy administration 2- Rigid cystoscopy administration 3- Reconstitution and equipment options
15'	Achieving best results: discussion and Q&A

SPONSORED WORKSHOP — @ROOM 24
CO2 fractional Laser for the Genitourinary Syndrome of Menopause
Chair: S. Athanasiou | Room 24&25, 11.30 – 13.15

11.30 - 11.50	Laser Physics and Basics	M. Galli
11.50 - 12.10	Fractional CO2 laser: clinical effectiveness	S. Salvatore
12.10 - 12.30	The effect of micro ablative fractional CO2 Laser on vaginal flora in postmenopausal women	S. Athanasiou
12.30 - 12.50	An up-to-date scientific knowledge regarding the use of the Laser in the Genitourinary Syndrome of Menopause	E. Pitsouni
12.50 - 13.00	Q&A

SCIENTIFIC INFORMATION

ABSTRACT SESSIONS

All abstracts submitted from May 30 to August 26, 2016 have been anonymously selected by the EUGA Scientific Committee and accepted for oral or video presentations, as well as non discussed posters.

PRESENTATION METHODS

Oral (Podium) presentation
Video presentation
Non Discussed posters

Oral presentations are scheduled to last 6.5 minutes (4 minutes for presentation, 2.5 minutes for discussion), whereas video presentations are scheduled to last 8 minutes (5 minutes for presentation, 3 minutes for discussion).
Authors of non-discussed posters are expected to print and to take care personally of their own presentation display; the poster area will be at their disposal throughout all Congress. Posters must be printed in a 70 x 100 cm format.

ABSTRACT AGREEMENTS

If your abstract is accepted for either oral or poster session, you will be asked to accept the following conditions:
☐ Present the lecture in the session format assigned to you by the Scientific Committee
☐ Register for the conference and assume responsibility for your own registration, lodging and transportation, as well as providing a substitute presenter in case of absence.

ABSTRACT AWARD

EUGA will be assigning a prize to podium presentations (for both Clinical Science and Basic Science session) and abstract posters, which have been ranked first by Abstract assessors.
EUGA will be awarding the following abstract prizes: first place winners for Clinical Science, Basic Science and Poster sections will be given a 500 € prize. Second place winners for the same categories will be awarded a 250€ prize.

GENERAL INFORMATION

UEMS ACCREDITATION REQUESTED

EACCME awarded 9th EUGA Congress with 11 UEMS Credits. In order to obtain UEMS credits it is required to attend all scientific sessions, and to complete the assessment questionnaire which will be available online from 5th to 20th November 2016. Credentials to access the questionnaire webpage will be printed on the Congress badge for those participants who provided a valid email address during registration. Participants are expected to verify the accuracy of their own contact details and to make sure those details have been properly given either online or on the registration form. We would also kindly invite participants to cooperate in verifying their presence during the Congress days. UEMS credit certificate will be available online and can be downloaded from the same registration page.

CERTIFICATE OF ATTENDANCE: TO BE RELEASED ONLINE ONLY

The Attendance certificate for EUGA 9th Congress will be released online only. To activate your restricted area, it is necessary to have provided a valid email address during the registration procedure.

SPONSORS & EXHIBITORS

Companies interested in sponsoring or exhibiting at the event are invited to contact the organizing secretariat at euga@defoe.it

REGISTRATION RATES & APPLICATIONS

Registration is available online at www.eugacongress.org. Professionals may subscribe either by using the online platform or by sending the Organizing Secretariat a registration form. If needed, registration and accommodation can be booked together. An additional 50 € fee is required to attend Dutch Pelvic Floor Society session, on Thursday 3rd November; registration to EUGA Congress is required to attend such session, which will entirely be in English language. Registration costs vary, depending on deadlines and subscription type, as shown in the prospectus below. Fees are meant for each person, in Euros, VAT free. The registration fee includes: certificate of attendance, CME related forms, coffee breaks and lunches, free entrance to the exhibition area, access to workshops and EUGA dinner. Please notice that for Workshops and EUGA dinner, any booking will be arranged on a first come first served basis; it is therefore required to reserve such options during the registration process by 15th October 2016. After this date, availability is no longer guaranteed. Fees are established as follows:

EUGA MEMBERS	NON-EUGA MEMBERS	ABSTRACT PRESENTERS
320 € 1ST Mar – 30th Jun	470 € 1st Mar – 30th Jun	200 € 1st Mar – 30th Jun
400 € 1st Jul – 15th Oct	520 € 1st Jul – 15th Oct	270 €1st Jul – 15th Oct
470 € after 15th Oct	570 € after 15th Oct	320 € after 15th Oct

Congress Registration Form available @ eugacongress.org - Email: euga@defoe.it, Tel: +39 0523 338391, Fax: +39 0523 1860018

THE CONGRESS VENUE

Hilton Amsterdam Airport Schiphol | Schiphol Boulevard 701 - Schiphol 118BN - Netherlands - Tel: +31 20 710 4000
The congress venue is the Hilton Amsterdam Airport Schiphol, located 15 minutes from the city centre and directly connected to the international airport terminal of Schiphol Airport via a covered walkway (7 min approximately).

EUGA DINNER

EUGA Dinner Venue is Het Sierad (Postjesweg 1, 1057 DT Amsterdam). Dinner is reserved for those who confirmed their attendance during registration; the event starts at 8 PM. It will not be possible to reserve a place on-site, due to logistic and organizational reasons. A shuttle service will be available, operating a round trip service between Hilton Hotel (leaving 7.45 PM) and Het Sieraad (returning to the Congress venue at 11.30 PM).

SKY TEAM AGREEMENT

EUGA 2016 Annual Congress is registered in the SkyTeam Global Meetings list.
The airlines of SkyTeam offer exclusive discounts up to 15% on all SkyTeam airlines, serving 1057 destinations in 179 countries with over 16270 daily flights. For more details, please visit www.eugacongress.org and go to the Accommodation webpage.

CONTACTS

For registrations, accommodation, sponsorship opportunities, as well as for any Congress-related issue, please contact the organizing secretariat:
