MESSAGE FROM THE EUGA PRESIDENT

Stefano Salvatore,
EUGA President

Dear EUGA members and friends, I would like to invite you to participate in the 9th EUGA Annual Meeting – Leading Lights in Urogynaecology which will be held in Amsterdam from the 3rd to the 5th of November 2016. Jean Paul Roovers, the chair of the EUGA Educational and Scientific Committee will be the local chair. This will be a great opportunity for EUGA to promote the growth that characterized the last few years. Your contribution will be crucial to have a successful meeting, therefore please advertise this meeting announcement as much as you can.
The last meeting in Warsaw was very successful also for the number of abstracts submitted for evaluation. Let's make EUGA and the Amsterdam meeting successful together.

MESSAGE FROM THE ANNUAL MEETING CHAIR

Jan-Paul Roovers
EUGA 2016 Meeting Chair

It is my great pleasure to welcome you to the 9th EUGA Annual Meeting in Amsterdam. The EUGA Congress is a flagship conference for Urogyneacologists in Europe and represents one of the largest gatherings of researchers and industry professionals in the field.
This year's conference is no exception and brings together more than 600 delegates from around Europe to discuss the latest advances in this vibrant and constantly evolving field. Latest advances will be discussed and presented through a diverse range of topics from innovative diagnostic and therapeutic options, basis science, as well as physiology of the vagina and pelvic organs are featured in the conference.
In addition to the stimulating program of the conference, Amsterdam, with its tourist attractions, the diversity and quality of its cuisine, and world-class facilities, is an unforgettable place to visit.
It is my hope, therefore, that you get a chance to explore Amsterdam and its surroundings, and enjoy the vibrant atmosphere of our city. It is a great privilege for me as the EUGA 2016 Chair to invite you to attend the Meeting in the hope that you find it stimulating, inspiring and enjoyable.
Wishing you a pleasant experience in the EUGA 2016, Amsterdam and I am looking forward to welcoming you.

SCIENTIFIC INFORMATION
EUGA 2016 CALL FOR ABSTRACT

EUGA invites you to submit an abstract to 9th EUGA Annual Congress - Leading lights in Urogynaecology.
All abstracts must be submitted from May 30, 2016 and be received by 25th August 2016 through the On-line Abstract Submission System.
The abstract text must be anonymous without any authors' or institutions' names. Do not include the name of the hospital, university or city. All abstract identification details, references, affiliations will be taken separately as part of the online submission process and will be merged again with the abstract text after review. Abstracts must be original and should not been published or presented at any conferences prior to the EUGA 2016 Annual Meeting. All abstracts will be anonimously reviewed by the Educational & Scientific Committee, and reviewing results will be announced both online and via email, in form of notice of acceptance/rejection to corresponding authors by 6th September, 2016. If your abstract is approved, you must be registered at the congress in order to present your paper. Take advantage of the registration fee reserved to Abstract presenters.

INSTRUCTIONS

Please read the instructions carefully before preparing your abstract. Please note that the abstracts not complying with such requirements will be rejected.
Please contact the EUGA Office at info@eugaoffice.org or visit the EUGA website www.eugaoffice.org for more detailed information.

PRESENTATION METHODS

Oral (Podium) presentation
Poster Discussion presentation
Video presentation

ABSTRACT AGREEMENTS

If your abstract is accepted for an oral or a poster session, you will be asked to agree to the following:
☐ Present the lecture in the session format assigned to you by the Scientific Committee
☐ Register for the conference and assume responsibility for your own registration, lodging and transportation as well as providing a substitute presenter in case of impossibility to attend the conference.

IMPORTANT REQUIREMENTS

Presenters of accepted abstracts must pre-register for the Meeting.
If changes to your presentation are necessary, you can make them in the on-line abstract section during submission period. You can do this by logging into the system with your lastname and abstract PIN number, then choose the abstract you want to modify. You can modify/delete/change your abstract at any time during the abstract submission period. Submission of the abstract implies the author consent to publication.

ASBTRACT NOTIFICATIONS

Notification regarding abstract acceptance/rejection will be made available online and mailed individually to corresponding authors in a short while, however by 6th September, 2016. If you do not receive any e-mail notification regarding your abstract submission by this deadline, please send an e-mail to info@eugaoffice.org.

ABSTRACT REWARD

Euga is pleased to announce that the best podium presentations in each of the sections (Clinical Science and Basic Science) and the best poster will be awarded.
Abstract prizes at the EUGA Annual Meeting:
The awards will be announnced at the Closing Session.
